

open.

- Place another Fabric 3 square on the right corner of the rectangles as shown in Fig. 2. Sew along the line, trim the corner and press open as shown in Fig. 3. Set aside 4 of the Fabric 7 Fig. 3 units and the 2 Fabric 2 Fig. 3 units for the Tree Blocks.
- Attach a Fabric 7 Fig. 3 unit to the top and bottom of the 6½" square star blocks and 5 - 6½" Fabric 3 squares. Set aside.
- Next draw a diagonal line on the wrong side of 18 - 3⅞" Fabric 2 squares. With right sides together, place the Fabric 2 squares on 16 - 3⅞" Fabric 7 squares and 2 - 3⅞" Fabric 3 squares. Using the drawn line as a guide, sew a scant ¼" seam on either side of the line as shown in Fig. 4. A scant ¼" is slightly smaller than a full ¼". Cut the squares open along the drawn line and press. The new triangle squares should measure 3½" square. Trim if necessary. Set aside the Fabric 2/3 triangle squares for the Tree Blocks.
- Using the diagram of the Double and Single Star Blocks as guides, attach a Fabric 2/7 triangle square to either end of the remaining Fig. 3 units and attach to the sides of the Double and Single Star Blocks. The blocks should measure 12½" square.
- Using the Layout Diagram on page 23 as a guide, layout the Single and Double Star blocks on the floor or on a design wall to form Rows 1 and 2. Join the blocks together in rows and then join the rows together. Set aside.
